### **Ocean Resources Advisory Committee**

This Agenda could not have been completed without extensive assistance from individuals, government agency staff members, the academic community, and the private sector. Thanks are given to the numerous State agencies who provided representatives to the Ocean Resources Advisory Committee, created as an informal advisory group to help the Resources Agency evaluate major policy issues to be addressed in the Agenda. Representatives also assisted the Resources Agency by providing technical data, writing portions of the Agenda, and reviewing drafts. The committee included representatives from:

- The Resources Agency of California
- California Coastal Commission
  - Department of Boating and Waterways
  - Department of Conservation
  - Department of Fish and Game
  - Department of Parks and Recreation
  - Department of Water Resources
  - Energy Resources, Conservation and Development Commission
  - Office of Oil Spill Prevention and Response
  - San Francisco Bay Conservation and Development Commission
  - State Coastal Conservancy
  - State Lands Commission

- California Environmental Protection Agency
- State Water Resources Control Board

#### Other Agencies

- California Business, Transportation, and Housing Agency
- California Research Bureau
